DESTINATION COUNTY

JUNE 2024

Community Outreach & Destination Alignment

The Attainable Housing Committee has been researching possible housing solutions for Door County. DDC's Community Engagement Manager sits on this committee and has arranged for a speaker from the Appleton Housing Authority to share information on their projects and possible ideas for Door County.

To date, the DDC team along with the Administrator from the Door County Tourism Zone have met with 13 municipalities providing updates on DDC related programing, receiving positive feedback and support. The <u>July 2024 edition</u> of DDC's semi-annual municipal newsletter called the Destination Connection highlighting the impact of the Community Investment Fund, the 2023 Tourism Impact Report, the Stewardship Plan and the 2025 (NFL) Draft in Green Bay was distributed July 2.

DDC is supporting the efforts of the Community Business Associations who launched their annual School Supply Drive on June 1 running through August 31. Each CBA obtained supplies lists from their respective schools to best meet their supply needs. Local businesses are creating unique ways to support this much needed drive!

We gained 126 followers between our three partner social channels <u>Facebook</u>, <u>Instagram</u> and <u>LinkedIn</u> in June. Facebook was the largest growth with 58 new followers. DDC hosted a special 2025 Draft informational meeting on June 28 in partnership with Discover Green Bay to provide information to Door County tourism partners about the event that will take place April 24-26, 2025 in Green Bay. A recording of the meeting is available to <u>watch online</u> and more information will be shared as it becomes available.

DDC attended 3 events in June with a special DDC information booth with visitor info and DDC related programming info. The events included Farmers Markets in Egg Harbor and Jacksonport and Fyr Bal in Ephraim.

Sustainable Development

A Door County Trail Initiative non-profit is forming! DDC's Community Engagement Manager is working with local trail volunteers to incorporate an official organization to lead trail efforts in Door County. This group will work with municipalities to identify opportunities and funding for trails.

We presented seven different local non-profit organizations and local governments with celebratory big checks in June for their Community Investment Fund grant awards. To share the news, we post photos from these big check ceremonies every week on our partner social media channels, including <u>Facebook</u>, <u>Instagram</u>.

The most recent <u>Community Investment Fund</u> application deadline was June 24 and grant award announcements are anticipated in early August.

PARTNER NETWORKING NIGHT:

On June 17th, 169 industry partners joined us in the Biergarten at Peninsula Players Theatre for our Partner Networking Night event. We enjoyed a selection of delicious desserts from Klaud's Kitchen while we mixed and mingled in the garden and a preview of their first show of the season, "I Ought to be in Pictures."

WORKING TO MAKE OUR DESTINATION MORE WELCOMING TO INDIVIDUALS OF ALL ABILITIES

This June, we started surveying our partner businesses for the accommodations they offer to make their properties more accessible to those with varying physical abilities. There are many layers to this process, from collecting and publishing accessibility accommodations on partner listings on DoorCounty.com to making our partners more aware of additional ways they could be opening their doors to those who need to work around physical limitations. We have had a strong response to our initial requests, but if you don't recall seeing the invite in your inbox, you can <u>Find it HERE!</u>

WELCOMING OUR INTERNATIONAL EXCHANGE VISITORS AND SUPPORTING OUR PARTNERS WHO HOST THEM

Our continued collaboration with the Social Security Administration office in Green Bay made it possible to help more than 50 of our partners get Social Security Cards for 111 first-time exchange visitors on June 10th who have selected Door County for their BridgeUSA Summer Work Travel program experience during their summer break from colleges and universities around the world!

Our next Social Security Sign-up is Wednesday, July 17th at the Ephraim Village Hall. All meetings are by appointment only. We have 105 appointments scheduled already but still have room for more. Our Appointment Request Form can be found on our Partner Site at <u>www.DoorCounty.com/RSVP</u>
