**Other:**

We have now added automatic payment to our credit card to ensure payments are completed on time and do not receive late fees with changing meeting dates. Expenditures will continue to be reviewed on a monthly basis by the Commission.

Municipalities will now be receiving room tax checks directly using ACH transfers. We have been collecting municipal bank information in order to implement this change. It will allow municipalities to receive their payments a week faster than the current system. This will be implemented beginning in February.

I have met with attorney Vande Castle to discuss the Baileys Harbor contract and Zuchetti Confidentiality Contract. Both should be available by February for approval and signature.
